Thermfold® Aluminium Bifold Doors

Our Thermfold® Bifold Door system features our high performance reflex® glass units along with hardware from Mila combined with Cortizo system components – for a door system you can really be proud of.

These high performance bifold doors are perfect for exterior spaces such as patios and are designed to match our minimalistic aluminium powder coated rooflight range with reflex® glass and an industry-leading 10-year unit seal warranty.

- Our Thermfold® aluminium bifold doors feature Roof Maker's very own high-performance reflex® glass units, tested to BS EN1279 parts 2 & 3.
- Marine grade powder coated and fully thermally broken aluminium frame
- Choice of triple or double glazed with Ug-values as low as 1.1w/m2k
- Available in configurations up to 14 panels wide
- Class 4 Air permeability
- Class 9A Water tightness
- Class A3 Wind resistance
- Security tested and passed to PAS24
